Ward 9

Scheme: Gardners Crescent – Re-construction of Footways

Neighbourhood Partnership Fountainbridge/Craiglockhart

Project ID GC

Project Suggestion from
CouncillorProject Type
New FootwayLocation
Gardner's Crescent**Reason for project**

This area has seen a great deal of development over the last few years and currently Scottish Power are utilising the park area for tunnelling. They have contributed a large amount of money to take the park back up to a suitable standard. During the developments on Fountainbridge the footways have deteriorated.

Proposal and what we hope to achieve

The proposal is to construct new footways.
